A Visit with the British Spy

*Major
John Andre*

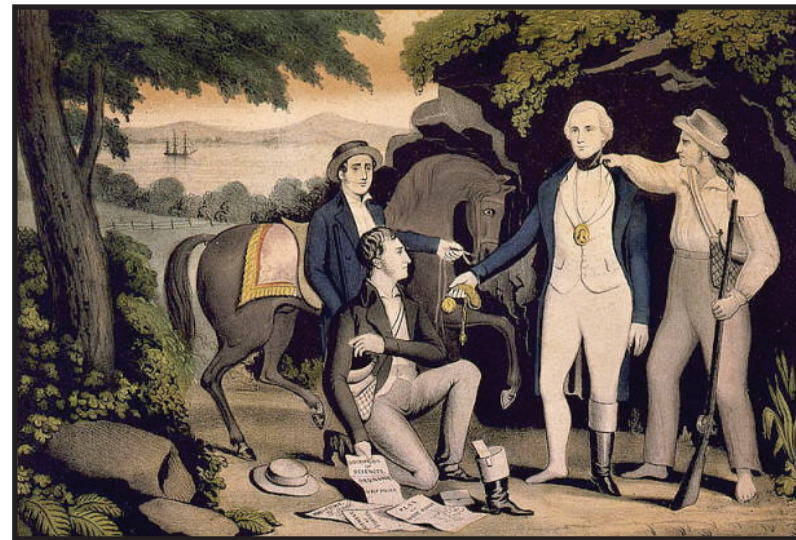

*Your most obed^t
humb^t servant
J. Andre.*

Program Description: Spend a delightful hour with British Officer and spy Major John Andre, who will speak about his infamous life and death during the American Revolution. Major Andre will discuss his interactions with the traitorous Benedict Arnold, his career in the British Army, and how he was responsible for the Continental Army's victory over the British.

David Neilsen, our own Major Andre, brings the notorious spy to life just in time to celebrate the anniversary of his capture in Tarrytown/Sleepy Hollow by three honest militiamen 234 years ago.

David Neilsen is a classically-trained actor who performs at a wide range of venues, including the New York Botanical Gardens, Sleepy Hollow Cemetery, Washington Irving's Sunnyside, and is a fixture in local schools. His captivating storytelling and one-man shows have enthralled audiences of all ages throughout the tri-state area.
